come, and if I never see him I will try to survive it. Cuero still sports its bell, but Clinton, though much smaller, has three bells. The Star has fately changed hands. one day, wishing to dispose of a Wincheswith projecting soles, made expressly for kicking, I knew he was going to retire from chase his whole arsenal. The home protection company has disbanded, I believe, The Galveston News understands "from Wes. formerly acted as mayor whenever he the city attorney that the suits lately chose, and his commands could not them to pay their license tax, have been them to get to their holes they got, and men, when goaded by passion, or with deep there are many, deeply deplore the lawless

Dockray, who was sentenced in Cuba to tem being so great that he never reacted, the patriots, and sent to Spain, has been lants were given freely."

the equal of any in this State

the patriots, and sent to Spain, has been lants were given freely."

the equal of any in this State

the patriots, and sent to Spain, has been lants were given freely." He whispered feebly, of reception and tell them from me, that I visitor for his horse; heaven bless you, and couch; there was the brightness of an inexcaught the last words of this second Wolfe: Victoria people are certainly the politest in Texas. He had walked himself to death,

> son, in which the damages are laid at ten the "wee sma" hours;" but that is as bad as thousand dollars. We understand that the "fantastic toe." And there are some patrons of the STATESMAN, in this county

With the exception of the ladies' depart

With many rea."

This was Capt. Tombinson's last fight with account of the mission founded there the
